

## **Illuminate Bible Series | Scope & Sequence (Elementary Ages)**

Each volume of the curriculum highlights an important character attribute of God, using the stories of Scripture to place Him at the center of all things while continually highlighting the work and Person of Jesus.

The volumes are divided into two semesters, each with four units. Each week of the 32-week volumes centers on a key story passage, listed below, as well as four other daily passages that relate to the story and shed light on the its *context*, *connect* it with other books and themes of the Bible, focus on its *doctrinal* truth, and look to how the believer can *apply* the truths of the week. The passages listed below show the key story passage for each week.
